

PE

PE is a really important part of our Curriculum at ASNA as we believe in nurturing a healthy lifestyle, therefore all children are expected to take part.

This term Class 3/4-VL will be taking part in PE activities on WEDNESDAYS and FRIDAYS.

CHILDREN NEED TO COME TO SCHOOL IN PE KITS ON THESE DAYS..

Please remember that jewellery (including stud earrings) are NOT allowed on days with PE activities.

Labelling clothes and belongings

Please ensure that ALL SCHOOL CLOTHING and LUNCH BOXES are clearly LABELLED with your child's name.

It is your child's responsibility to care of their own belongings, however they often find this difficult!! If they misplace an item, it is really difficult to find out who they belong to if they are not labelled.

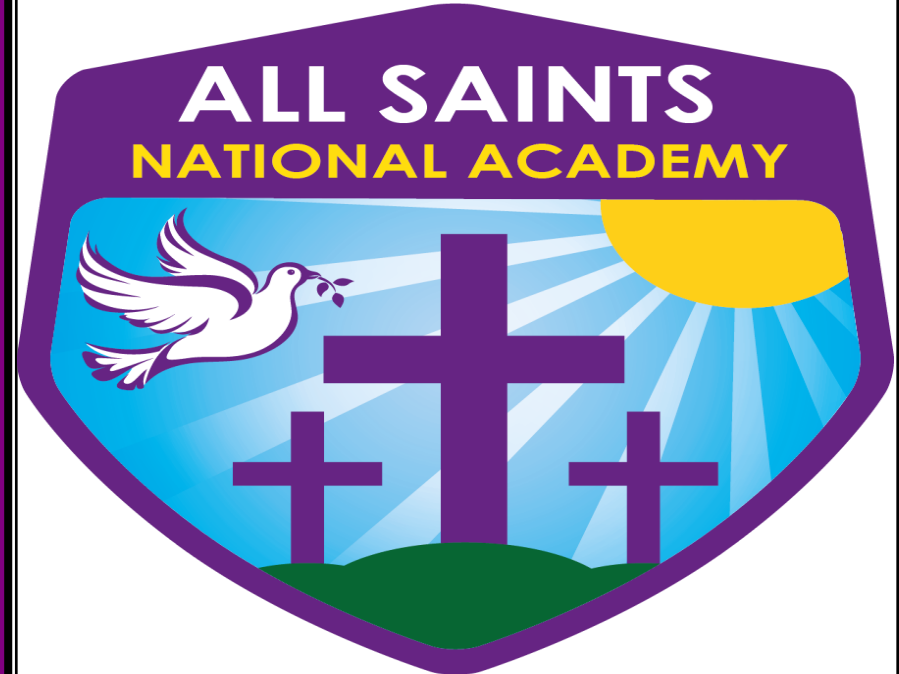

Whole School Celebration Assembly

If your child does something exceptional at ASNA, they may get a certificate celebrating their achievement. Two are awarded each week – STAR PUPIL & OUTSTANDING LEARNER.. We also award a WRITER OF THE WEEK who will keep a "Writing Oscar" on their table so everyone knows that they have achieved Writer of the Week.

Class 3/4-VL

Information for
Spring | 2023

Here are some of the topics we will be covering during Spring 1..

English

Our writing will be based around the Escape from Pompeii by Christina Balit which links to our history topic about the Romans. This is an adventure story about the destruction of Pompeii following the eruption of Mount Vesuvius.

During our reading sessions the children are exposed to a variety of text types, a wide range of vocabulary and are taught a range of skills to help their reading and understanding.

Maths

We will be focussing on addition and subtraction this half term and building on the skills that the children learnt in previous years. The children in Year 4 will take a Multiplication Tables Check in Summer 2023 and have already been working hard practising their times tables on TTRockstars and on timestables.co.uk, Lots of the children are already quite confident in many of the times tables.

Science

This term we are learning about rocks. We will be comparing rocks and learning how fossils are formed.

RE

The topic this half term is Judaism during which the children will be learning about synagogues and important Jewish festivals.

History

Our history topic this half term is all about the Romans. The children will learn about the Roman invasion of Britain, a comparison of modern and ancient Roman life and the events at Pompeii,.

Art

Our art topic is formal elements of art in which the children will learn about the simple shapes of objects and how they can use these to sketch and add more detail..

Geography

Extreme Earth is the geography focus for this term and the children will be learning about volcanoes and earthquakes.

DT

Creating an electrical poster.

French

We are learning about clothes and colours.

Dojo is our main point of contact moving forward, so please ensure you are connected, check regularly and share any worries, questions and most of all, share the fabulous things your children get up to outside of school.
