

PE

This term, Class 5JB will be taking part in PE activities twice per week. Therefore, I would please ask your child to arrive wearing their PE kit on their PE days which should be; black joggers or leggings and a white T-shirt or polo shirt and their purple sweater. As PE is an important part of the National Curriculum, all children **must** take part. I would remind you that jewellery (including pierced earrings) should not be worn to on days with PE activities.

5JB's PE days will continue to be:

Monday

Tuesday

Labelling clothes and belongings

Please ensure that all clothes, bags and lunchboxes are clearly labelled with your child's name. It is your child's responsibility to care for their own belongings.

Star Learner

If your child has done something exceptional at ASNA, they may get an award or certificate celebrating their achievement. Children may also be awarded a Principal's award in our Celebration Assembly at the end of the week for exceptional effort.

Class 5JB Newsletter

Information for
Spring 1 2023

Here is a list of subject areas your child will be learning during Spring 1. I hope this guide will help you support your child's learning.

English:

The genres of writing we will be studying this half term are:

Narrative – Science –fiction

Narrative- Adventure

Poetry- Sensory

Reading

This half term, we will be reading traditional tales and poems. We will be practising comprehension strategies including making predictions, inferences and summarising.

Mathematics

For this half-term, children will be consolidating fundamentals of mathematics, and deepen their learning in the following areas: multiplication & division and fractions.

Each week, children will also be developing their arithmetic skills alongside reasoning and problem solving challenges. We appreciate that maths can be daunting for parents as well as children, given how much things have changed over the last couple of decades. If you need advice on how to support your child in any area of maths, then please come in and see us; we're here to help!

Foundation Subjects

Children will learn about:

- Crime and Punishment
- Forces
- Magnificent Mountains
- Health and well-being
- Analysing artwork
- Food technology
- Databases

This half term in RE we will be exploring:

What are the 5 pillars of Islam?
