

PE – Dance

PE is a really important part of our Curriculum at ASNA as we believe in nurturing a healthy lifestyle, therefore all children are expected to take part.

This term Class 2LA will be taking part in PE activities on TUESDAYS (Active Maths) and THURSDAYS.

CHILDREN NEED TO COME TO SCHOOL IN PE KITS ON THESE DAYS. Please remember that jewellery (including stud earrings) are NOT allowed on days with PE activities.

Labelling clothes and belongings

Please ensure that ALL SCHOOL CLOTHING and LUNCH BOXES are clearly LABELLED with your child's name. It is your child's responsibility to care of their own belongings, however they often find this difficult!! If they misplace an item, it is really difficult to find out who it belongs to if they are not labelled.

Whole School Celebration Assembly

If your child does something exceptional at ASNA, they may get a certificate celebrating their achievement. Two are awarded each week – STAR PUPIL & OUTSTANDING LEARNER. Children may also be awarded a PRINCIPAL'S AWARD if they have done something particularly outstanding!

Please ensure you are connected & check regularly. Please use to ask questions or share worries. Most of all, share the fabulous things your child gets up to outside of school.

Class 2LA

Newsletter

Information for Autumn 1 2021

Here are some of the learning that will be taking place this half term:

English

The children will have a daily phonics lesson and there will be a big focus on applying phonic knowledge to improve reading. We will be discussing a variety of texts to develop comprehension skills. Writing will be based around the books *The Queen's Hat* & *The Queen's Handbag* by Steve Antony. This half term we will be focusing on letter formation, handwriting, spelling and simple sentence construction.

Maths

We will be extending our knowledge of number by comparing and ordering numbers up to 100 and place value through identifying the parts of two-digit numbers and partitioning numbers into tens and ones. We will be consolidating number bonds to 10 and learning bonds to 20 to underpin our addition & subtraction work. We will be learning to count in 2s, 5s and 10s to underpin our multiplication and division work.

RE – Who made The World?

We will be learning about the Christian Creation story and how this is the beginning of the 'big story' of the Bible. We will think, talk and ask questions about living in an amazing world.

Science – Animals Including Humans

We will be looking at animals & humans this half term & learning about our basic needs, what we need to grow and stay healthy and life cycles.

Geography – Magical Mapping

We will explore a range of maps at a local, national and global level & develop our understanding of how to navigate around an atlas to find key countries, continents, oceans and seas along with devising our own maps and routes. We will learn simple map symbols, compass directions and develop key geographical vocabulary.

History – The Great Fire of London

We will be learning about the key events of the Great Fire of London and finding out about the past by using resources such as Samuel Pepys' infamous diary. We will be comparing and contrasting past and present-day London, as well as looking at how life was different in the 17th century.

Art – Formal Elements of Art

Our focus will be pattern, texture and tone. We will be creating printed patterns using everyday objects, taking rubbings using different media and creating 3D drawings.

DT – Food: A balanced diet

We will explore what makes a balanced diet & taste test food combinations of different food groups. We will make a wrap that includes a healthy mix of protein, vegetables and dairy, and learn about the term 'hidden sugars'.

Computing – IT Around Us

How is information technology (IT) being used for good in our lives? With an initial focus on IT in the home, we will explore how IT benefits society in places such as shops, libraries, and hospitals. Whilst discussing the responsible use of technology, and how to make smart choices when using it.
