Statement of intent

St Chad's Academies Trust and Wulfrun Academies Trust including all academies therein are required to keep and process certain information about its staff members, pupils and Local Academy Committee members in accordance with its legal obligations under the General Data Protection Regulation (GDPR).

This policy is in place to ensure all staff and Local Academy Committee members are aware of their responsibilities and outlines how the academy complies with the following core principles of the GDPR.

Organisational methods for keeping data secure are imperative, and St Chad's Academies Trust and Wulfrun Academies Trust including all academies therein believes that it is good practice to keep clear practical policies, backed up by written procedures.

This policy complies with the requirements set out in the GDPR, which came into effect on 25 May 2018.

- 3.1. For the purpose of this policy, **personal data** refers to information that relates to an identifiable, living individual, including information such as an online identifier, e.g. an IP address. The GDPR applies to both automated personal data and to manual filing systems, where personal data is accessible according to specific criteria, as well as to chronologically ordered data and pseudonymised data, e.g. key-coded.
- 3.2. **Sensitive personal data** is referred to in the GDPR as 'special categories of personal data', which are broadly the same as those in the Data Protection Act (DPA) 1998. These specifically include the processing of genetic data, biometric data and data concerning health matters.

4. Principles

- 4.1. In accordance with the requirements outlined in the GDPR, personal data will be:
 - Processed lawfully, fairly and in a transparent manner in relation to individuals.
 - Collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes.
 - Adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed.

 - Kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods, insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes, subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of individuals.
 - Processed in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

14.11. Where no action is being taken in response to a request, St Chad's Academies Trust and Wulfrun Academies Trust including all academies therein will, without delay and at the latest within one month, explain to the

individual the reason for this and will inform them of their right to complain to the supervisory authority and to a judicial remedy.
